How We Choose Our Seeds

We work hard to find the best sustainable and organic growers with the skill and expertise to produce high-quality, high germinating seeds we know we can count on to ensure our customers' success. All our varieties are Renee's personal selections, chosen for great flavor in garden to table cooking, productivity, and top garden performance for home gardeners.

Seeds That Make a Difference

Every year, Renee's Garden donates seeds to a wide variety of organizations and educational programs worldwide that work to improve social, economic and health conditions and promote sustainable organic gardening practices.
