Renee's Garden Seed Donations Make a Difference

Every year, Renee's Garden donates seeds to a wide variety of organizations and educational programs worldwide that strive to improve social, economic and health conditions, and promote sustainable organic gardening.

We also encourage retailers to donate unsold Renee's Garden seeds to local non-profit organizations at the end of the season.

We are pleased to share just a few successful outcomes. SEE PHOTOS AND STORIES.

ONION PLANTS

The very best way to get a head start on bulb onions' long growing season is to begin with pre-started plants. Onions grown this way can get ahead of the weeds and bulb up and keep much better than store-bought "sets."
