New, Helpful Videos on Our Blog

Just finished for the harvest season! Two new Renee's Garden videos to check out:

[How to harvest & prepare Loofah Gourds](#)

[How to harvest & store Dried Beans](#)

[See all our how to videos](#)

Got Kale? Make it a Main Dish Meal

Try our recipe for [Gina's Garden Kale Dinner](#) - a lovely combination of rice with kale, savory herbs, and prosciutto, cheese topping.

Time to Plant A Cover Crop

Cover crops are a beneficial and often necessary part of the seasonal garden to both protect and enhance garden soil. Cover cropping solves the problem of leaving garden soil bare during the winter when wind and rain and frost heaving erode top soil and leach out nutrients. [Read more about our Cover Crop Seeds.](#)

Please visit reneesgarden.com for more [articles](#), [great seeds](#), [recipes](#) and ideas. Ordering is quick, easy and secure.

We look forward to hearing from you.

Best Wishes,
Renee Shepherd
