## travel massager

Thank you for purchasing the plusOne® travel massager. To ensure you have the best possible experience with this product, please read all instructions and precautions carefully before use.

## CAUTION

This travel massager is not a toy. **KEEP OUT OF REACH OF CHILDREN.** Discontinue use if you or your partner experience any discomfort or pain. Carefully read all warnings and directions prior to use.

## batteries:

The travel massager requires one (1) AA 1.5 volt battery for operation. Either alkaline or lithium batteries can be used. Do not use old or damaged batteries.

Battery installation / replacement:

1. Open the battery compartment by twisting the battery door counterclockwise (Fig 1).
2. Insert one (1) AA battery into the battery compartment according to the polarity markings (+ / -) indicated within the compartment.
3. Replace the battery compartment cover and twist clockwise to lock into place (Fig. 2).

**Note:** The device will not operate if the battery is improperly installed.

Replace the battery as soon as you notice the device is running slower than normal.

## using the travel massager:

Power the device OFF and ON by holding the power button for 2 seconds. Press firmly to cycle through the 10 vibration settings (Fig. 3).

## cleaning:

Be sure to clean thoroughly before and after each use. Clean using a mild soap and warm water.

## storage:

Store in a cool dry place separately from other sex toys; sex toys of different materials can damage each other if left in contact.

## quality:

This product is manufactured using body-safe silicone that is skin-friendly, harmless to the human body, and free from phthalates, BPA and latex. Use water based lubricant only.
