

# FPS PUMPS

## Speroni 304 Stainless steel SXS

SXS pumps, in 304 stainless steel and NBR, have a horizontal outlet and a wide pump casing for pumping waste containing fibrous material and suspended soft solids.

With a removable stand, female BSP outlet and large free passage these pumps are suitable for drainage and sewage applications. They are not recommended for ponds or water features.

**Suitable for:**

- Sewage
- Drainage
- Dirty Water
- Suspended soft solids
