The Mariners Learning System™ suite of Coast Guard approved courses offer an alternative to the regular testing process held at the USCG Regional Exam Centers.

These courses are structured for those pursuing a professional career in commercial boating operations and for recreational boaters wishing to increase their knowledge.

Upon completion of your course, taking our proctored exam, and meeting other requirements such as documenting boating experience and passing a physical examination, you simply submit, within one year, the MLS certificate of completion and application package to the nearest Coast Guard Regional Exam Center.

...and upon their review and approval, you will be issued your license.
