6 NATIONAL COWGIRL MUSEUM & HALL OF FAME FORT WORTH, TEXAS www.cowgirl.net

The National Cowgirl Museum & Hall of Fame honors women of the West who have made significant contributions to the lifestyle we all love. This includes rodeo athletes, horse women, ranch women, artists, and more.

This important museum isn't strictly an art museum, although they do have several pieces by artists—some of whom are even honored in the Hall of Fame. Among these, you'll see the ephemeral sculpture work of Deborah Copenhaver Fellows, who grew up on a ranch and in a professional rodeo family. Galleries include Inside the Arena, where the competitive spirit of the cowgirl is celebrated.
