Morgan Fisher

Nationality:
American woman!

Current Residence:
Michigan, USA

About:

- mother of Finn Fisher
- artist (morganfisher.me)
- windsurfer. prefer to wave sail. but enjoy any day sailing.

Goals:

- Advocate for protecting the environments in which I live and love locally but also participate globally as well .
- Having responsibility to the natural world and giving back.
- I want to give back to the wildlife and the environments that provide me the joy, health and passions I have and have had and for which my son and I continue to live .. and for others.

What issues regarding clean water and/or clean oceans are important to you?:

Clean beaches. Clean shorelines.

But I'm open to participating/supporting agencies/companies aligned with your mission in many areas of conservation

preserving. reviving. protecting .. ocean, lake, river wetland habitat and waterways and wildlife directly related to these habitats.

Events/Projects attended:

- My own cleaning of miles of beach/shoreline.
- Designing a 100% biodegradable/non toxic surf wax and having it viably scientifically Silver certified by MBDC since 2006.
- I support other water related non profits and environmental action groups.

Why +H2O is important to you:

I simply believe in all that you are doing. You are credible and becoming very forceful! I support few but strong others like +H2O and believe +H2O is on sincere and honest in it's intentions, goals, activities in education, conservation.. Your motivation and active work in all areas locally and globally for clean water, healthy environment, conscious lifestyle.. are pure and effective. I and Wet Women® would like to contribute to the cause.
