

**UT CO-OP LONGHORN GICLEE PROJECT**  
OPTIONS:

LONGHORN giclée options:

This fine art, giclée print is a reproduction from the original Japanese-style, hand-rubbed woodcut that was printed with water soluble inks on Japanese Kozo paper. The LONGHORN giclées are open edition prints, all printed in small editions at a time, on high quality fine art paper from a giclée printer.

1. The UNFRAMED giclées come shrink- wrapped on foam core with protected corners for display, purchase and shipping.

\*Unframed giclées are: 18" x 24", including white borders.

2. The FRAMED giclées come framed in with 'flaxen' colored rag matting (100% archival rag matting made from cotton); matt black 1/4 inch rounded metal face frame; and conservation clear, UV protected plexiglass (filtering out 99% UV rays, protecting from any fading).

\* Framed giclées measure edge to edge: 22 1/2 " x 28 1/2 "

\*\* Framed images also have the option of not only having 'clear' plexiglass but can be also come with 'non glare' plexiglass *for an additional \$15.00*

3. Shipping and tax
