WRINKLES & VISUAL APPEARANCE

Due to a combination of the elasticity of the covering, the nature of the interior construction and the design for comfortability of the product, the model may exhibit differing levels of wrinkles.

The models need to be dressed on a regular basis to maintain their appearance and the wrinkles should not be considered as a manufacturing defect, but a natural characteristic of the product.

NOTES

- Available in leather (TG only) or fabric.
- CUBICOMFORT™ Triple-Motion Technology is a registered trademark. It denotes a set of independent motion systems that activate the various elements of the sofa (seat, backrest, headrest and footrest) allowing each person to adjust their position of absolute comfort to the millimeter.
- - Mech. 1: All in One Power Reclining mechanism simultaneously reclines the back and seat and footrest that allows you to reach a horizontal position for unlimited relaxation.
- - Mech. 2: Power Lumbar Support allows you to adjust the lower part of the backrest by increasing or decreasing the pressure for a better back support.
- - Mech. 3: Power Adjustable Headrest which allows you to recline the headrest forward with millimetric precision and reach a perfect relaxation position for great comfort.
- Functions are operated by a three-button power switch located hidden on the seat cushion side.
- Equipped with satin label that is intended to indicate the position of the control panel.
