GROWNEX POULTRY

Poultry Growth Promoter

POULTRY GROWTH
PROMOTER & IMMUNITY TONIC

DESCRIPTION

Introducing Grownex Poultry, the ultimate growth promoter for poultry. Addressing malnutrition effectively, it significantly reduces bird mortalities and serves as a supportive therapy for Moulting, Anorexia, Fatty Liver, and Early Chick Mortality. Grownex Poultry is formulated to enhance Feed Conversion Ratio (FCR) and boost egg production, ensuring optimal poultry growth. With a focus on overall health and productivity, this advanced solution is your key to a thriving poultry farm. Say goodbye to growth challenges and embrace the success that Grownex Poultry brings to your flock.

COMPOSITION:

Each 100 gm. contains

Pueraria tuberosa	10 gm
Phyllanthus niruri	10 gm
Terminalia Chebula	5 gm
Andrographis paniculata	15 gm
Zingiber officinale	2 gm
Hemidesmus indica	5 gm
Trachyspermum ammi	4 gm
Ferula asafoetida	8.8 gm
Leptadenia reticulata	5 gm
Boerhavia diffusa	4 gm
Eclipta alba	5 gm
Beed lavan	5 gm
Sndhav salt	14 gm
Excipients	q.S.

DOSAGE:

- 500 gm to 1 Kg./ton of feed or as directed by the veterinarian

BENEFITS:

- Addresses issues of malnutrition effectively.
- Lowers mortality rates in birds.
- Serves as a beneficial therapy for conditions such as molting, anorexia, fatty liver, and early chick mortality.
- Enhances Feed Conversion Ratio (FCR) and boosts egg production.
- Stimulates the growth of poultry for increased overall development.

NICEWAY INDIA

The Premier Animal Feed Supplement
Manufacturer in India.

DESCRIPTION

Crafted with a unique blend of natural essential oils, Inhale+ is designed to promote the well-being of the lungs and respiratory tract in the targeted species. This exceptional formulation harnesses the power of natural expectorants, anti-fungal, anti-microbial, and anti-coughing agents. By effectively liquefying dense and adhesive mucus, Inhale+ facilitates a smoother breathing process, shielding the respiratory tract from discomfort, pain, and inflammation. Experience the benefits of this specialized blend, providing optimal support for respiratory health in your animals.

INHALE +

Eucalyptus Oil Based Respiratory
tonic for poultry

**EUCALYPTUS OIL BASED RESPIRATORY
TONIC FOR POULTRY**

250ML. 500ML. 1LTR.

COMPOSITION:

Each 100 ml. contains

Menthol	10 ml
Thymus vulgaris	03 ml
Eucalyptus globulus	10 ml
Mentha piperita	05 ml
Cinnamomum camphora	01 ml
Ocimum sanctum	08 ml
Emulsifying Base	q.s. to 100 ml

BENEFITS:

- Promotes effortless breathing.
- Maintains a clear respiratory system, preventing the buildup of mucus.
- Enhances the thinning of mucus for improved respiratory function.
- Mitigates the likelihood of stress, inflammation, and discomfort.
- Enables smooth breathing with optimal oxygen absorption.
- Sustains respiratory well-being amidst fluctuating weather conditions.

DOSAGE:

- 2-3 ml per 100 birds
- 200-250 ml/1000 Liters water for prevention in farms recommended from 11-18 days then 28-35 days.
- 250 ml/1000 Liters water to support at initial stage
- 250 ml/1000 Liters water as supportive with other therapy
- 500 ml/1000 Liters water to support at chronic stage or as directed by Veterinarian/Poultry consultant.

DESCRIPTION

Furgis is livestock's ultimate defense and stress solution. This powerful immunomodulator and antistressor enhance vaccination response, bolster resistance against diseases, and promote adaptability to stressors such as environmental changes and diseases. Furgis elevates overall vitality, aiding in swift recovery from diarrhoea. Give your farm animals the strength they need with Furgis.

FURGIS

IMMUNOMODULATOR &
ANTISTRESSOR

1 KG

COMPOSITION:

Each 100 ml. contains

Calcium lactate	25.5 mg
Potassium chloride	3.75gm.
Magnesium sulphate	0.9gm.
Sodium Chloride	0.9gm.
Sodium Acid Phosphate	1.2gm.
Sorbitol	20mg.
Sodium citrate	9.75gm.
Dextrose monohydrate	55gm.
Vitamin C	2gm.
Lactobacillus Sporogens (millionspores)	3000

DOSAGE:

- Cattle: 50/100ml. daily.
- Poultry: 20 gm per 100 bird daily.

BENEFITS:

- Better vaccination response and general resistance against diseases and infections.
- Adaptation to various stress conditions viz. environmental, managerial disease etc.
- To improve vigour and vitality.
- Helps in rapid recovery of diarrhoea.

OXICEASE POWDER

Natural blend with powerful
antioxidant properties

1KG, 20KG

DESCRIPTION

OxiCease Powder is poultry's frontline defender against oxidative stress. This powerful antioxidant goes beyond prevention, actively absorbing and halting the propagation of free radicals in the feed. With its exceptional diffusion and dispersion properties, OxiCease ensures comprehensive coverage throughout the feed, enhancing feed efficiency and promoting overall poultry health. Experience the ease of use with its free-flowing nature, providing even distribution and cost-effective benefits. Elevate your poultry nutrition with OxiCease Powder – safeguarding well-being at every feed.

COMPOSITION:

Each 100 gm contains:

Emblica officinalis	30 gm
Citrus limon	20 gm
Citrus sinensis	20 gm
Ocimum basilicum	15 gm
Carica papaya	15 gm

DOSAGE:

- 500 gm - 1 kg per MT of prepared feed or as directed by Veterinary Consultant

BENEFITS:

- It prevents free radical formation in the feed.
- It absorbs any free radicals that are formed & prevent propagation.
- It ensure thorough and complete diffusion dispersion in feed.
- It increases feed efficiency.
- It is free flowing and gets evenly distributed in the feed & is cost effective.

NICEWAY INDIA

The Premier Animal Feed Supplement
Manufacturer in India.

DESCRIPTION

A liver tonic with hepatostimulant, hepatoregenerative, and hepatoprotective properties. Formulated with potent phyto-genic extracts, it is specifically designed to address liver ailments, ensuring optimal utilization and absorption of feed for targeted and effective outcomes.

NEXOLIV POULTRY

Liver Tonic with Increased Production

POWDER: 500 GM, 1 KG. & 20 KG
LIQUID: 500 ML, 1 LTR, 5LTR, & 30 LTR

COMPOSITION FOR LIQUID:

Each 100 ml. contains aqueous extract of the following herbs:

Tephrosia purpurea	5 gm
Eclipta alba	3 gm
Carduus marianus	1 gm
Cichorium intybus	3 gm
Picrorrhiza kurroa	1 gm
Phyllanthus niruri	3 gm
Solanum nigrum	3gm
Boerhaavia diffusa	4gm
Andrographis paniculata	4gm
Terminalia chebula	3gm
Aqueous base	q.s.

BENEFITS:

- Enhances the operational efficiency of the liver.
- Elevates breeding and immunity capabilities.
- Improves feed intake and nutrient metabolism.
- Boosts digestibility, promoting heightened activity and alertness in animals.
- Increases egg and meat production, stimulates appetite.
- Improves weight gain, reduces mortality, and enhances Feed Conversion Ratio (FCR).

DOSAGE:

- Liquid (For Each 100 Birds)Chicks : 10 ml Daily
- Growers & Broilers : 15- 20 ml Daily
- Layers: 40 ml Daily
- Inclusion: 1 Litre in 1000 Litre of drinking water
- POWDER: 500 gm-1 kg Per ton of feedor as directed by Veterinary Consultant.

NICEWAY INDIA

The Premier Animal Feed Supplement

BRIOGROW PLUS

BROILER WEIGHT &
GROWTH CATALYST

1KG. 5KG. 10KG. 20KG

COMPOSITION:

Each 500 gm. contains

Phosphorus	20 mg.
Calcium	40 gm.
Herbal Amino Acids	225 mg.
Selenium	500 mg.
Iodine	1000 mg.
Cobalt	1000 mg.
Vitamin A	25000 IU
Vitamin B1	5000 mg.
Vitamin B2	5000 mg.
Vitamin B6	5000 mg.
Vitamin B12	5000 mg.
Manganese	12000 mg.
Zinc	5000 mg.
Iron	5000 mg.
Copper	5000 mg.

BENEFITS:

- Enhanced growth and survivability in broilers.
- Optimizes Feed Conversion Ratio (F.C.R.) and enhances nutrient utilization.
- Promotes increased weight gain in both broilers and poultry.
- Improves fertility in poultry.
- Guards against various forms of stress.

DOSAGE:

- Add 500 gm. in 4-5 kg.
- Feed & Top dress in all feeder of 1000 birds Repeat twice a week or as directed by the veterinarian

HERBICOX

NATURAL PLANT BASED
ANTI COCCIDIAL

POWDER: 1 KG & 20 KG BAG
LIQUID: 500 ML . 1 LTR & 5 LTR

COMPOSITION FOR POWDER:

Each 100 gm. contains

Punica granatum	10gm
Aegle marmelos	10gm
Tinosporia cordifolia	05gm.
Cyperus rotundus	05gm.
Acacia catechu	05gm.
Holarrhena antidysentrica	20gm.
Salmaia malabarica	05gm.
Trachyspermum ammi	10gm.
Calotropis procera	10gm.
Zingiber officinalis	10 gm
Berberis aristata	10 gm

BENEFITS:

- Enhances intestinal health.
- Optimizes digestion and gut functionality.
- Elevates the quality of meat and eggs.
- Boosts body weight, production, and overall performance.
- Strengthens immunity levels.
- Enhances resistance to stress.

COMPOSITION FOR LIQUID:

Each 100 ml. contains

Punica granatum	5 gm
Aegle marmelos	5 gm
Tinosporia cordifolia	2 gm
Cyperus rotundus	2 gm
Acacia catechu	2 gm
Holarrhena antidysentrica	10 gm
Salmaia malabarica	2 gm
Trachyspermum ammi	5 gm
Calotropis procera	5 gm
Zingiber officinalis	5 gm
Berberis aristata	5 gm
Aqueous base	q.s.

DOSAGE:

- Powder- Regular: 1kg per MT of Feed, High Risk: 2-3 kg per MT of Feed
- Liquid- Regular: 1 Liter in 1000 Liters of drinking water High Risk: 2-3 Liter in 1000 Liters of drinking water or as directed by Veterinary Consultant.

GUTGUARD PLUS

Diarrhoea & Dysentery Defense

POWDER: 500 GM, 1 KG. PACK & 20 KG PACK
LIQUID: 500 ML, 1 LTR, 5 LTR & 30 LTR

DESCRIPTION

Introducing GutGuard Plus, the ultimate defense against Diarrhoea & Dysentery in poultry. This powerhouse ensures optimal gut health, supports digestion, and aids in proper protein utilization. Guarding against dehydration, GutGuard Plus maintains appetite, Feed Conversion Ratio (FCR), and feed absorption. Unlock enhanced growth and performance with GutGuard Plus – the key to fortified poultry health.

COMPOSITION FOR POWDER:

Each 100 gm contains:

Punica granatum	20 gm
Aegle marmelos	30 gm
Tinospora cordifolia	20 gm
Cyperus rotundus	20 gm
Acacia catechu	10 gm

COMPOSITION FOR LIQUID:

Each 100 ml contains:

Punica granatum	10 gm
Aegle marmelos	20 gm
Tinospora cordifolia	10 gm
Cyperus rotundus	10 gm
Acacia catechu	5 gm
Aqueous base	q.s.

BENEFITS:

- Promotes gut health maintenance.
- Facilitates optimal digestion.
- Supports effective protein utilization.
- Safeguards against dehydration.
- Sustains appetite, Feed Conversion Ratio (FCR), and feed absorption.
- Contributes to improved growth and performance.

DOSAGE:

- Powder: 1-2 kg/ MT of feed
- Liquid: 1-2 Ltr/1000 Ltrs of drinking of water or as directed by Veterinary Consultant.

NICEWAY INDIA

The Premier Animal Feed Supplement
Manufacturer in India.

DESCRIPTION

Introducing our Yolk Dissolver for Chicks – a revolutionary solution designed to dissolve yolk effectively, preventing bacterial infections and safeguarding against Salmonellosis. This innovative product supports proper fecal discharge, stimulates metabolism for enhanced performance, and improves gut function and Feed Conversion Ratio (FCR). Additionally, it replenishes lost nutrients and microflora, optimizing nutrient utilization. Say goodbye to stress caused by overcrowding, transportation, or weather changes with our Yolk Dissolver, ensuring the health and vitality of your chicks from the start.

YOLKSOLVE+

YOLK DISSOLVER IN CHICKS

500ML . 1LTR . 5LTR

COMPOSITION:

Each 100 ml. contains

Zingiberis officinalis	10 %
Cinnamon camphora	8%
Cuminum cyminum	8%
Ferula asafoetida	6%
Trigonellafoenum graecum	6%
Foeniculum vulgare	6%
Aqueous base	q.s. to 100 ml

BENEFITS:

- Adequately incorporate the yolk to prevent bacterial infections effectively.
- Guards against Salmonellosis.
- Facilitates proper excretion of fecal matter.
- Boosts metabolism, thereby enhancing overall performance.
- Enhances gut function and Feed Conversion Ratio (FCR).
- Restores lost nutrients and microflora, promoting optimal nutrient utilization.
- Alleviates stress caused by overcrowding, transportation, or changes in weather conditions.

DOSAGE:

- 10-15 ml per 100 chicks in the drinking water daily or as directed by Veterinary Poultry Consultant

NICEWAY INDIA

The Premier Animal Feed Supplement
Manufacturer in India.

OVAFLORE BOOST

NATURAL OVARIES SOLUTION FOR
HIGHER EGG PRODUCTION

500 GM, 1 KG & 20 KG & 25 KG BAG.

DESCRIPTION

This powerful formula stimulates ovarian activity, ensuring optimal egg production. By maintaining a precise balance between albumin and yolk, it enhances egg quality, uniformity, and reduces shell cracks, resulting in improved hatch rates. Say goodbye to post-peak declines in egg production with Ovaflare Boost. Enriched with egg-boosting additives, natural extracts for vibrant yolk color, and fortified with essential minerals and vitamins, this product not only promotes superior egg nutrition but also increases fertility and hatchability. Elevate your poultry operation with Ovaflare Boost for a healthier and more productive flock.

COMPOSITION:

Yeast Complex
Zinc fortified with other minerals
viz. (Chromium)
Flexseed
Terminalia arjuna Cichorium
intybus Solanum nigrum

DOSAGE:

- Layers : 300-400 gm per ton of feed
Breeders: 500 gm per ton of feed or as advised by nutritionist/
Veterinarian Consultant.

BENEFITS:

- Stimulates ovarian activity effectively.
- Enhances egg quality, production, and uniformity by maintaining a balanced ratio of albumin to yolk, resulting in fewer egg shell cracks and improved hatch rates.
- Prevents post-peak declines in egg production.
- Enriched with additives that boost egg production.
- Incorporates natural extracts to enhance yolk color and is fortified with minerals and vitamins for enhanced egg nutrition.
- Promotes increased fertility and hatchability.

Elevate the health and performance of your poultry with Nexomin - the key to a thriving flock.

NEXOMIN POULTRY

A UNIQUE BLEND OF VITAMINS
AND MINERALS

1 KG . 5 KG . 25 KG

COMPOSITION:

Each 1 kg contains

Cobalt	150 mg
Potassium	100 mg
Vitamin A	700000 I.U.
Vitamin D3	70000 I.U.
Vitamin E	250 mg
Nicotinamide	1000 mg
Copper	1200 mg
Manganese	1500 mg
Selenium	20 mg
Sodium	5.9 mg
Sulphur	0.75 mg
Iron	1500 mg
Zinc	9600 mg
Iodine	325 mg
Calcium	25.50 mg
Phosphorus	12.75 mg
Magnesium	6000 mg
Excipients	q.s. to 1 kg

BENEFITS:

- Fulfills Nutritional Deficiency
- Promotes optimal growth.
- Enhances productivity and performance.
- Facilitates achieving peak body weight.
- Stimulates appetite and supports Feed Conversion Ratio (FCR) improvement.
- Aids in managing summer/ environmental stress.

DOSAGE:

- 500 gm - 1 kg per metric tone of prepared feed or as directed by Veterinary Consultant.

BIOVITA-C

NATURAL VITAMIN C ALTERNATIVE
WITH BIOFLAVONOIDS INFUSED WITH MINT

POWDER: 1 KG & 25 KG BAG
LIQUID : 1 LTR & 5 LTR

DESCRIPTION

BioVita-C, a superior alternative to synthetic vitamin C specially crafted for poultry. Combatting challenges like reduced growth and production, oxidative and summer stress, a weakened immune system, diminished rumen efficiency, and nutrient utilization, as well as addressing inflammation, pain, and microbial infections. Elevate poultry health with the natural power of BioVita-C.

COMPOSITION FOR LIQUID:

Each 100 ml contains Sensory Additives:

Flavouring Compounds:

Citrus Limon	10%
Psidium guajava	10%
Emblica officinalis	10%
Citrus sinensis	10%
Carica papaya	10%
Aqueous base	q.s. to 100ml

BENEFITS:

- BioVita-C is beneficial for:
- Diminished growth and production.
- Mitigation of oxidative and summer stress.
- Strengthening the immune system.
- Improved rumen efficiency and nutrient utilization.
- Alleviation of inflammation, pain, and microbial infections.

COMPOSITION FOR POWDER:

Each 100 gmt contains Sensory Additives:

Flavouring Compounds:

Citrus Limon	20%
Psidium guajava	10%
Emblica officinalis	40%
Citrus sinensis	20%
Carica papaya	10%

DOSAGE:

Liquid:

- Poultry: 500 ml/1000 Ltr of water
- Large Animals: 40-50 ml per day
- Small Animals: 20-30 ml per day

Powder:

- Poultry, Fish & Shrimp
250 - 500 gms per MT of feed
or as directed by Veterinarian/Poultry consultant.
