

# PRIVATE LABEL PROGRAM

We are now offering solutions pertaining to ***custom or private label branding*** for dry food related products in several different shapes/sizes. Our certified food manufacturing facility is located in the heart of historic ***Norwood, Massachusetts USA***. With sophisticated equipment, trained work-force and years of packaging experience we have simplified the Private label process for our customers.

We are a ***single stop shop*** to launch your brand and boost your sales across the world.

**YOUR SUCCESS IS OUR SUCCESS!**

## WHY CHOOSE US FOR YOUR PRIVATE LABEL PRODUCTS

We bring **organically grown** food and herbal products of highest quality directly from source. We believe in offering pure foods from **farm to table** that enhance the overall health of the human body.

We are a **family owned company** and source all our ingredients **ethically and sustainably** in **small batches** to preserve the **quality as well as freshness**.

# OUR SPECIALITY INGREDIENTS

**ORGANIC TEAS**

**GRAINS AND LENTILS**

**SUPER-FOODS AND SEEDS**

**ORGANIC HERBS & SPICES**

**HIMALAYAN SALTS**

**HERBAL POWDERS**

# 5 STEP EASY PROCESS

Our easy, efficient private label program comes down to these 5 basic steps.

## 1 SELECT YOUR PRODUCT

Choose from our vast list of ingredients, and get started on your private label journey.

## 2 CHOOSE THE PACKAGING

Go through the various packaging options we offer and select what packaging material you'd like to use for your brand.

## 3 DECIDE THE QUANTITY

Decide the net weight of each ingredient for each product and the total number of units you wish to manufacture in your brand.

## 4 DESIGN THE PRODUCT LABEL

Design and send us a copy of your product label. If you do not have one, let us make one for you.

## 5 FINALIZE AND SHIP THE ORDER

Once your order is fully packaged you can ship it your warehouse or directly to Amazon. We can help you with shipping if required.
