

Dear Store Manager:

I am a regular customer at your store and I would like you to consider carrying Delighted By Dessert Hummus.

Delighted By is a new line of sweet hummus that's dairy-free, gluten-free, preservative-free, and vegan!

It's chickpea-based, and made with ingredients like coconut oil, coconut milk, cocoa powder, and organic turbinado sugar.

It comes in four flavors:

Brownie Batter, Snickerdoodle, Vanilla Bean, and Choc-O-Mint

The company's website is provided below, or you can contact them directly at sales@delightedbyhummus.com.
Delighted By would be happy to arrange distribution.

If you carry Delighted By in your store, you can count me as a loyal customer. Thanks for your consideration!
