P.O.P. DISPLAY WITH DILDO

BODYDOCKPOP

ENHANCE YOUR STORE DISPLAY!

The most effective way to present our new Body Dock® collection is with this FREE tester display and 3D header box. With the tester display, customers try to pull the attached dildo off the Body Dock to test the strength of the suction dock. Once they can feel the power of the patented suction design, you can be sure that they'll be instantly hooked! Next, the 3D header box consolidates all of your Body Dock items into an organized, yet eye-catching planogram. Together, the 3D header box and tester display create an effective store presence that is sure to grab the attention of your customers!

The tester display can be hung on a slat wall or displayed on a flat surface, and has a Body Dock suction dock attached to it. Also included is a FREE 6" King Cock® Elite dildo that is secured with a metal security wire, and a small poster that can be mounted to the back of the display.
