Indy Fontaine makes listeners hit repeat with release of “Is This Love”.

Just in time for Valentine’s Day Indy Fontaine has released a smooth, fresh version of “Is This Love.” She fully embraced the romantic lyrics and made the song her own in every way with her unique sound that makes the audience want more.

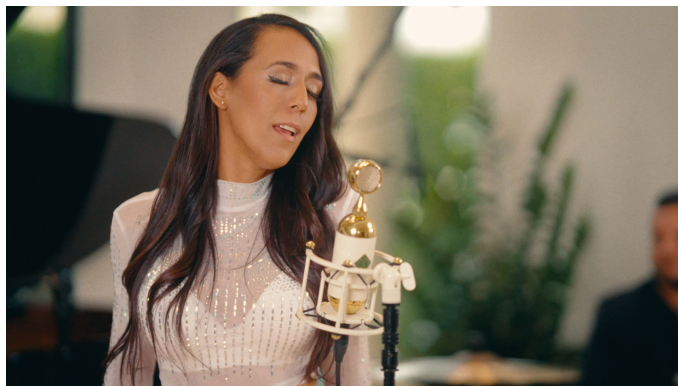

This beautiful version of the hit song is an easy listening, adult contemporary mix of pop and soft rock with influences of R&B. The vocals are powerful, clear, and full of emotion; slowly building through the song. The song’s melody is carried by rich, bright piano complimented with the harmony of a sweet sounding electric guitar and underlying bass and further accented with smooth, chill percussion.

Is This Love, was recorded, and produced by Fontaine in her studio, Fontaine Records, along with the music video which was simultaneously released on YouTube.

Fontaine is a singer-songwriter, producer and multi-instrumentalist who in recent years moved from Havana, Cuba to the Miami area. This is the 3rd of 11 songs to be released in the first half of 2024. It is available now for streaming or download on all platforms.

Michael Fahey was the sound engineer and co-producer, and the song was mastered by Pete Lyman of Infrasonic Sound.
