

CP Slippers is a high-quality room shoe brand produced in Spainwith100%naturalleather. Since 1981, we at CP Slippers have been striving to make each slippers unique.

Our mission is to intersect quality and craftwork into a minimal design that won't sacrifice the need for comfort, simplicity and affordable price.

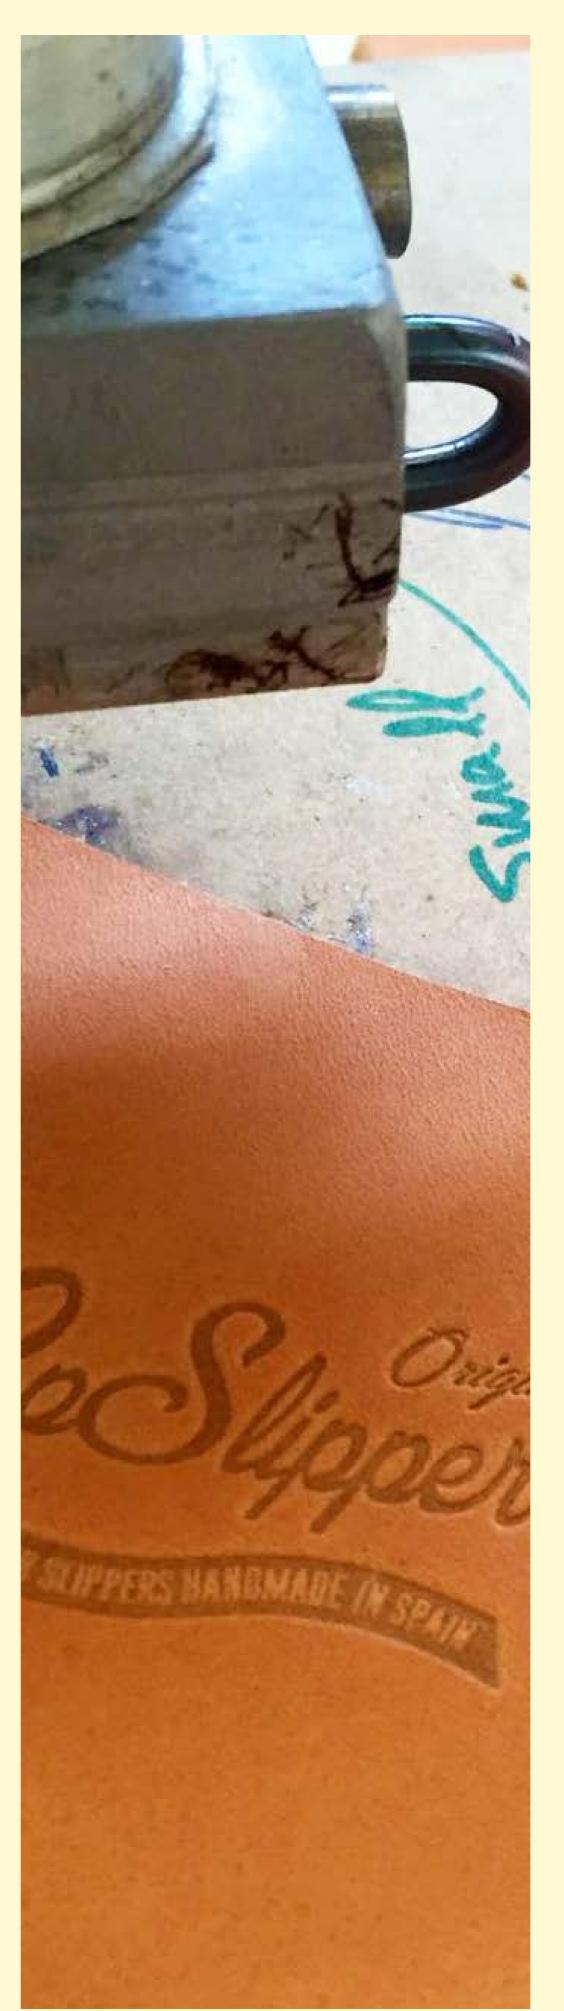

In 1981, my grandfather went on a trip to Japan and discovered their tradition of leaving outside dirt outside by wearing slippers around the house. On his return to Spain, he started making some nice slippers at home from one piece of premium leather for his family and friends..

Years later, after training as a craftsman in leather working, CP Slippers was founded to share with the world the passion that I kept so fondly from my childhood. for big names in American footwear.

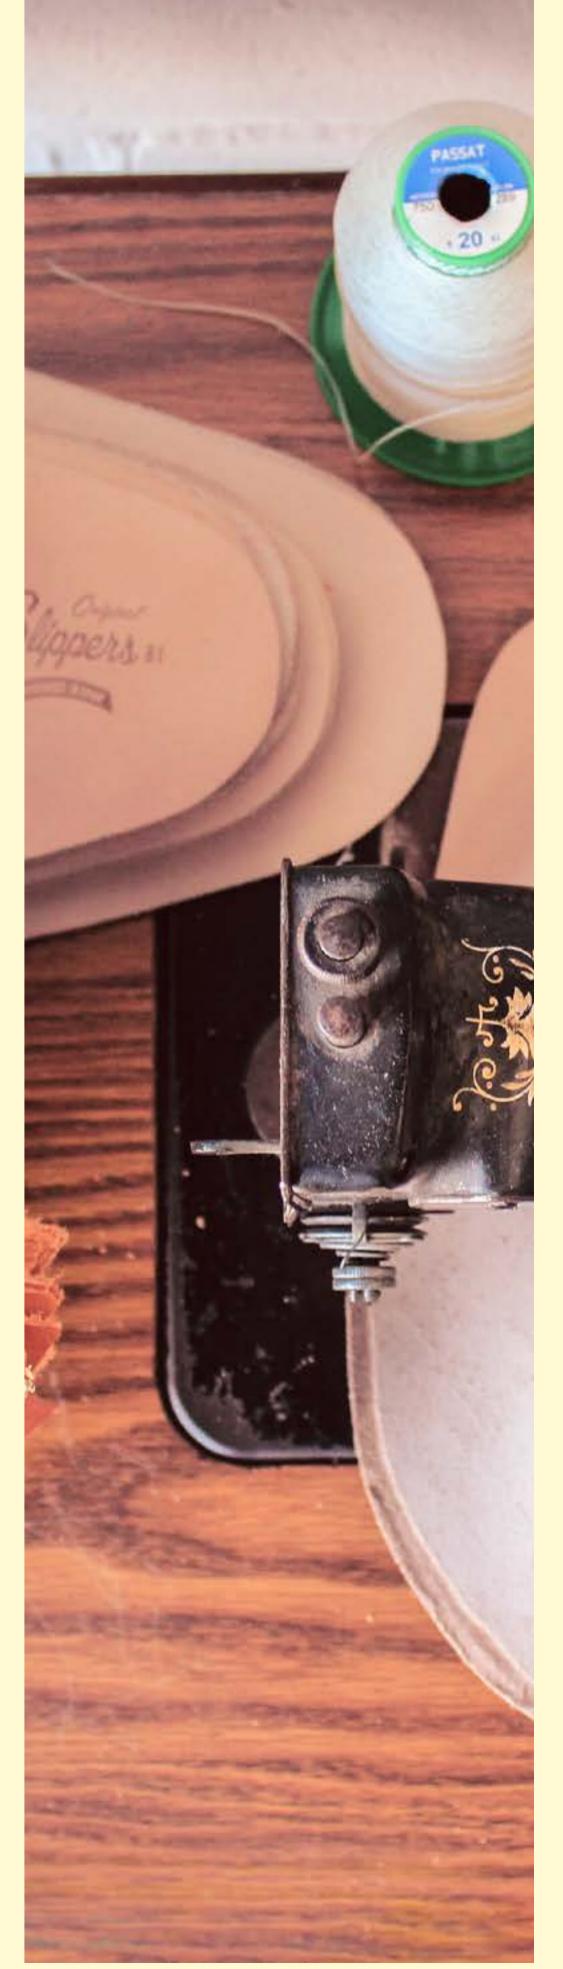

- Pattern design
- Tanning and Dyeing
- Cutting
- Embossing
- Skiving and sewing

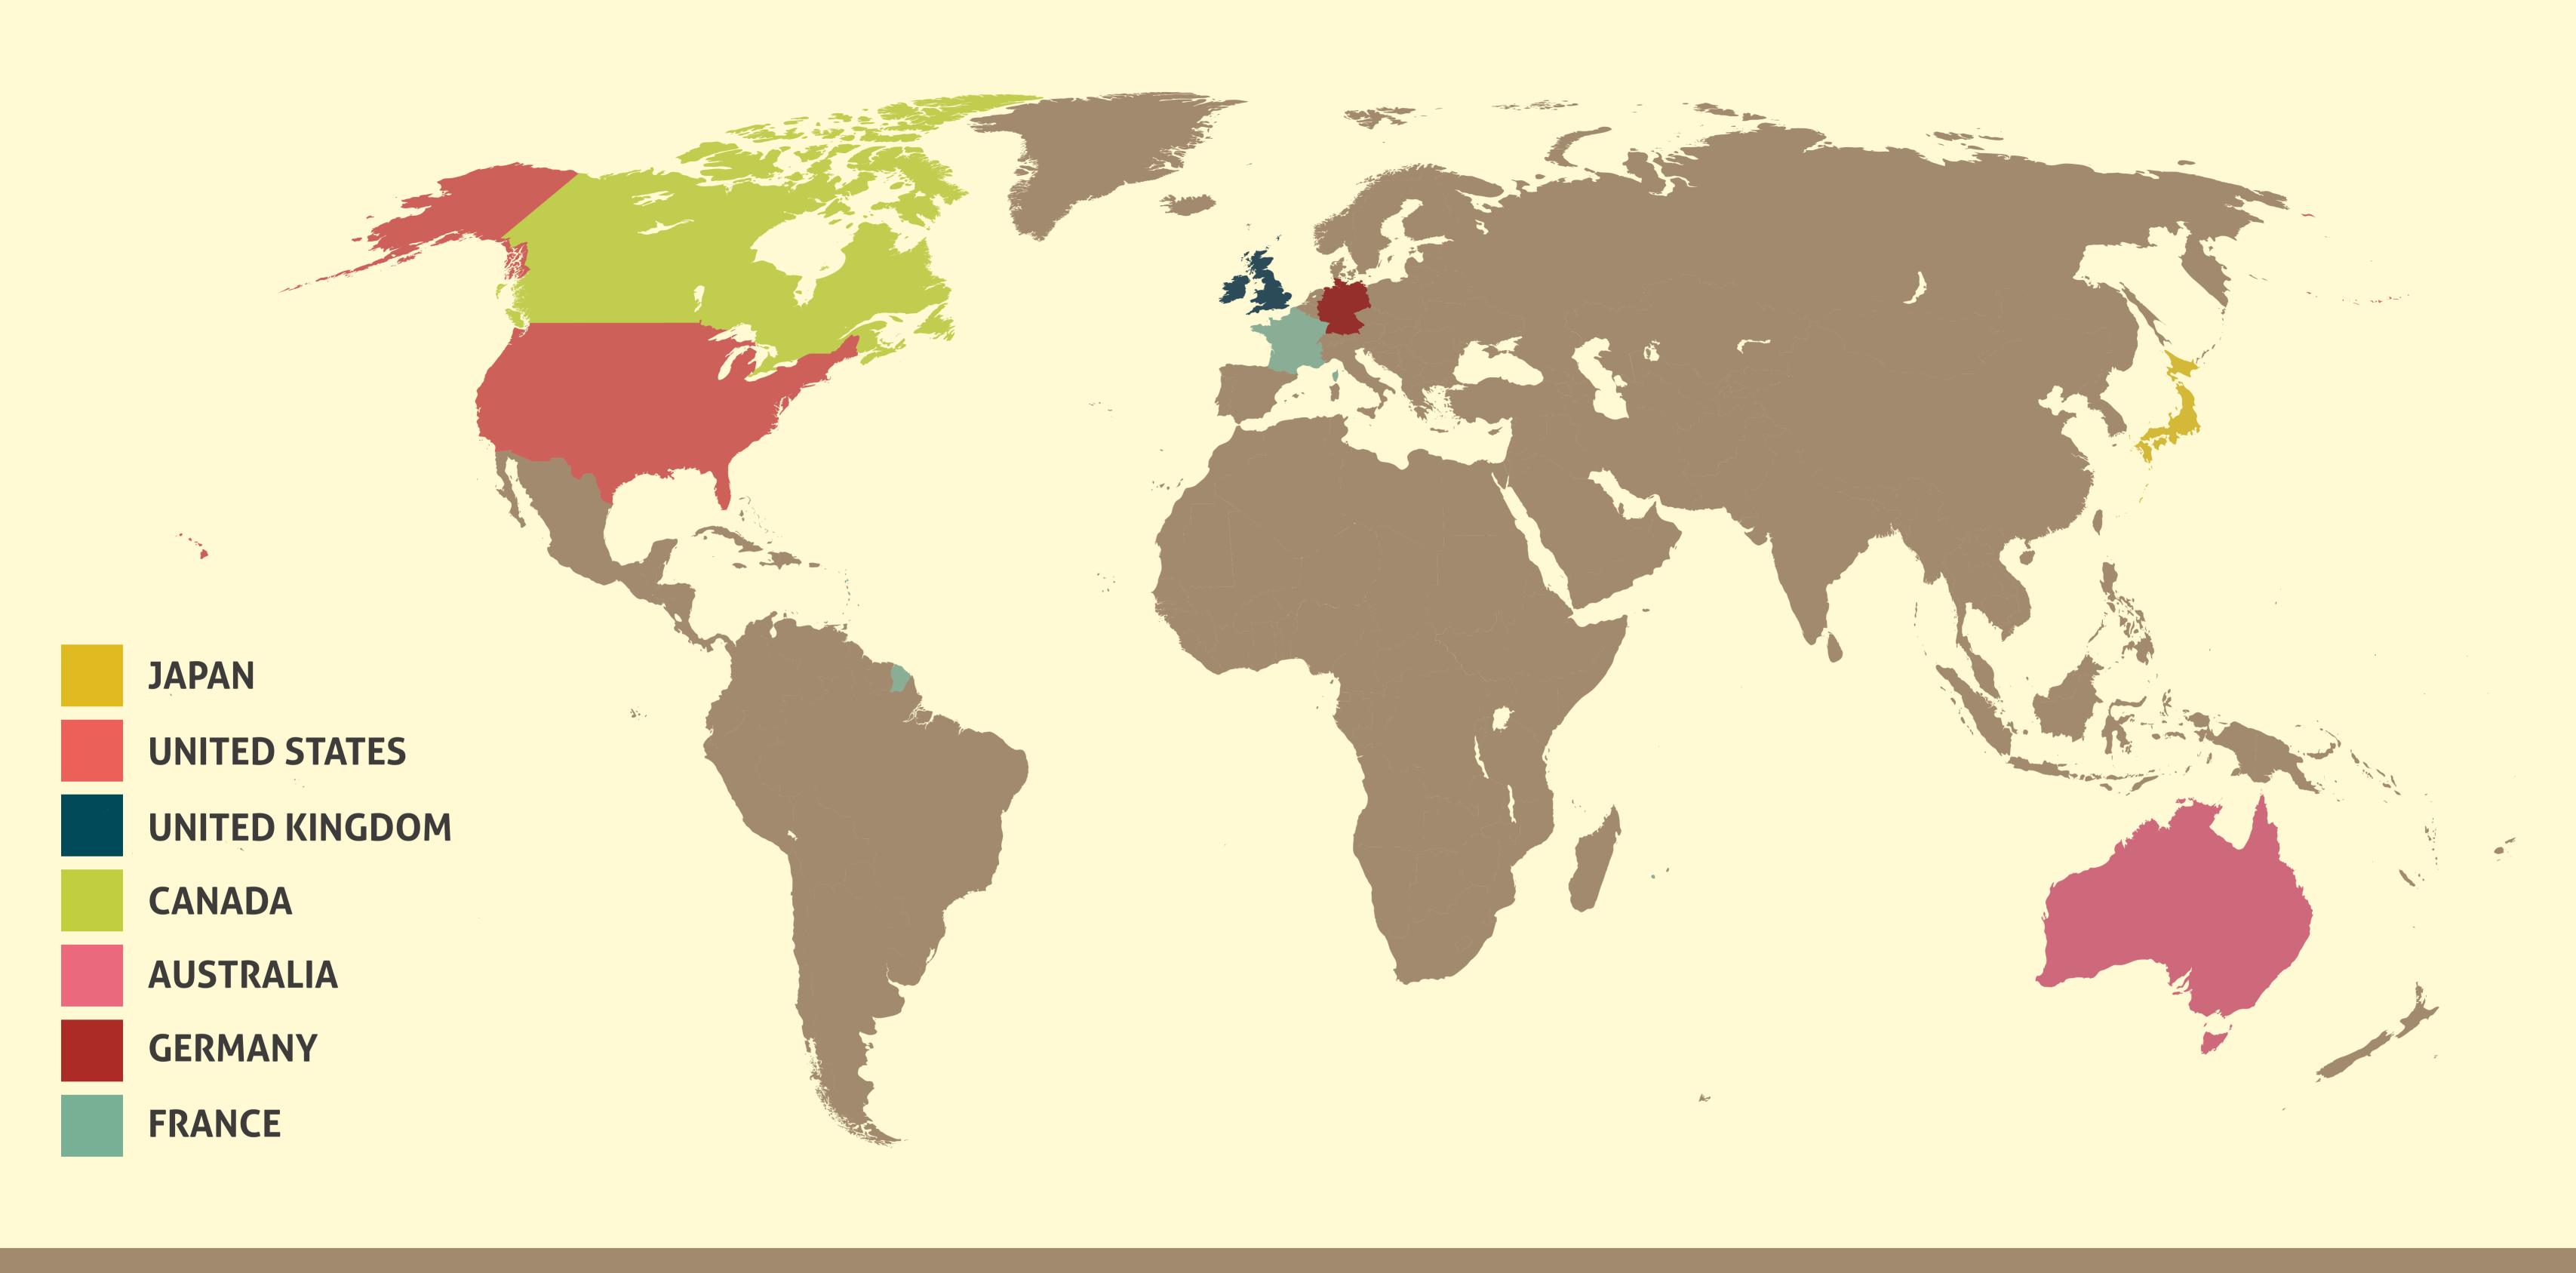

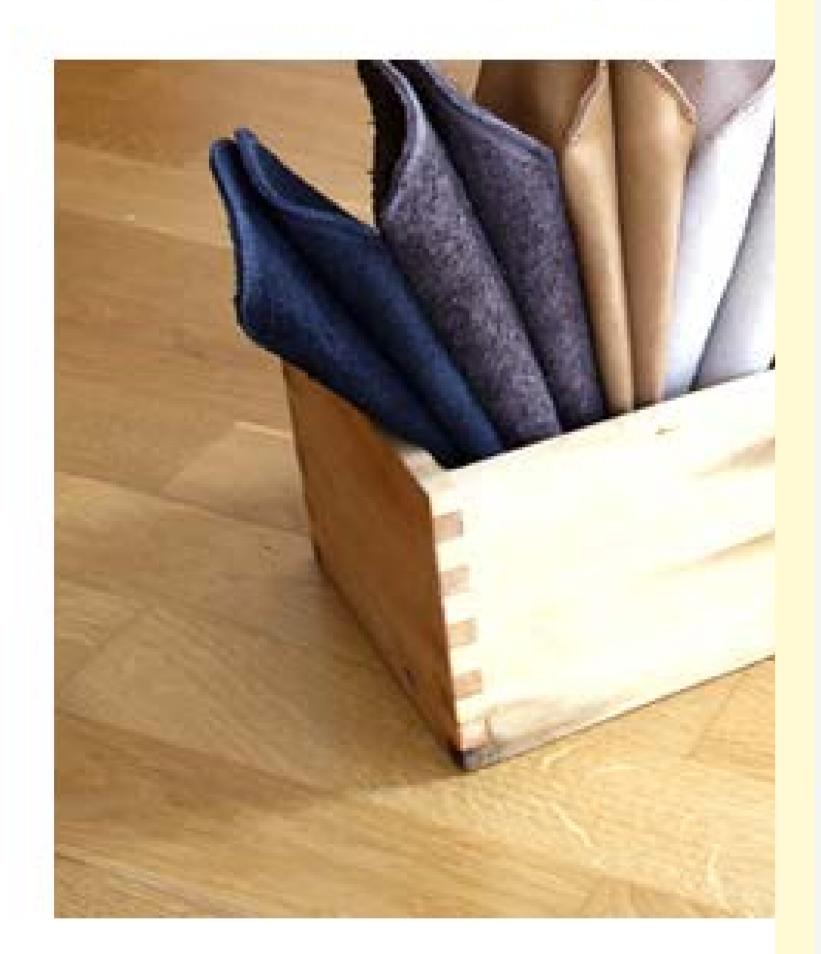

CpSlippers has character, are highquality and special, and offer customers comfort and authentic leather.
