BEHIND THE BRAND

In 2004 the first few SACHAJUAN Haircare products were introduced into the Swedish market. What makes the SACHAJUAN brand unique and interesting, is the simplicity and functionality of the products in perfect harmony with high quality ingredients and modern innovation. Since it's launch, SACHAJUAN has shown unparalleled growth. Today it is an established premium brand in the Scandinavian market, one of the most competitive hair care markets in the world.

The active ingredients and technology behind the success of SACHAJUAN Professional Haircare is its' Ocean Silk Technology. In combination with sea algae and other tailor made active ingredients, SACHAJUAN's creates healthy and unique results on all different hair types. With these results we create hair with maximum shine, volume, stability, and care without weighing down the hair - regardless of hair quality, you will notice immediate results with SACHAJUAN Professional Haircare. All SACHAJUAN Products are made in Sweden.
