

## The 15 Best Hydrating Face Masks to Soothe Dry Skin, Fast

Your skin deserves one of these pampering products.

When your skin is dry or dehydrated, every step of your skincare routine—from cleanser to face cream—becomes all the more important. And, for the sake of your skin barrier, it may also a time to add one of the best hydrating face masks to your regimen.

"Hydrating sheet face masks have become a hallmark of Korean beauty skincare over the years, and are now a global beauty staple," says Syosset, New York-based facial plastic surgeon and founder of AIREM Modern Beauty Rituals Eunice Park. Sheet masks may be some of the most fun to use, but there are other mask options to consider too, from overnight masks to gel masks and more. Ahead, find 15 of the best hydrating face masks, plus more advice on what to look for courtesy of Park.

BEST HYDRATING CHEEK MASKS

## Superegg Calm Movements Eye & Cheek Mask

\$50 AT SUPREGG.NYC

### PROS

- Unique shape

### CONS

Unlike regular under-eye patches, these hydrogel masks cover the entire cheek for extra skincare love. Even better, they're packed with tremella mushroom, hyaluronic acid, panthenol, and more ingredients parched skin loves.

### Customer Reviews:

"Love how soft and soothing these are. Great size and a perfect way to pamper myself when I need something a little extra for my skin."—Monica L

### Key Ingredients

Centella Asiatica and Tremella Mushroom, Panthenol, Hyaluronic Acid
