SILVER BULLET: HOW TO GO GRAY SILVER TRANSITION

PRO JACK MARTIN GUARANTEES TO DELIVER YOUR
MOST FLATTERING SHADE.

SILVER SHAMPOO

“Who said gray hair makes you look old? We created that myth,” says California hairstylist and silver expert Jack Martin. Since helping a client segue to gray four and a half years ago, Martin’s signature process has made him the most sought-after “silver transition” colorist in the world. Remember Jane Fonda’s gray hair reveal at last year’s Academy Awards? That was his handiwork.
