A gathering of goodies selected just for you.

## We love Gleener Bags!

These adorable bags—from the folks who brought us the Ultimate Fuzz Remover—are big enough to hold large projects such as sweaters, and cute enough to make you the envy of all your friends (and neighbors, and coworkers, and people on the street . . .). The sturdy canvas construction makes them durable, so you can carry one wherever you go. Believe us, you'll want to!
