

**RADKE LAND AND CATTLE**

2024 PRIVATE TREATY LIMOUSIN BULL AND FEMALE SALE

AT THE RANCH NEAR MITCHELL, SOUTH DAKOTA

# Greetings!

On behalf of our family and crew at Radke Land & Cattle, we would like to extend a warm invitation to come visit us at the ranch. We are once again offering our set of Limousin bulls for sale by private treaty, and we believe this is our best set to date. The bulls will be sold on a first-come, first-serve basis and each lot is individually priced and ready for your appraisal.

**PROGRAM FOCUS** — Our focus at RLC is really simple and straightforward. We strive to raise cattle that excel on paper, in the pasture, in the feed yard, and on the plate. We prioritize good feet and legs, structural soundness, functionality, disposition, feed efficiency, performance, and phenotype. With every breeding decision we make, we are focused on how these matings will help you, our customer.

**PASSION & PURPOSE** — Our passion truly is the cattle business, and we believe there is no better way to raise kids than right at home on the ranch. Our four children, Scarlett (9), Thorne (7), Alexander (6), and Croix (5) work right alongside us in the family business, and it's a joy to watch them grow in their understanding and excitement for this industry we all love.

**SERVICE TO OTHERS** — As we look at our life's work, we also believe that our passion for the cattle business must extend to a greater and deeper purpose outside of ourselves. Join us in teaching the next generation about where their food comes from! With your purchase, our customers will receive a set of Amanda and Scarlett's educational children's books, to be donated to the school of your choice to further our reach to promote ag literacy in our nation's youth!

**OUR GUARANTEE** — At RLC, we still believe in the cowboy way — where your word is your bond, and your handshake is worth its weight in gold. We stand behind our cattle and will work with you on any issues, should they arise. We require a half-down deposit to hold your bull, and we will begin making bull deliveries or pickup arrangements after their breeding soundness exams in April. Volume discounts are available, as well. And new this year, we are offering the pick of our heifers!

**OPPORTUNITIES ABOUND** — In closing, we believe this is an exciting time to be in the beef cattle business. If you can withstand some of the external challenges threatening our way of life, the low cattle numbers in the U.S. indicate to us great opportunities ahead if you remain steady and stay the course.

At RLC, we are razor focused on building our herd numbers and investing in the highest-performing genetics we can get our hands on. In the past year, we have expanded our business into the Angus breed, as well. We feel it is a great compliment to the Limousin breed, and it's hard to beat a maternal LimFlex female! Follow us on social media for upcoming sales on genetics from our developing Angus program.

Please, give us a call anytime with questions about this year's selection or to set up a ranch visit. Thank you for your consideration in our program.

*God Bless! Tyler & Amanda Radke*

**Homozygous Polled • Homozygous Black**

Scarlett's bull SRAD Kamouflage 56K is the lead LimFlex bull in our 2024 private treaty offering. An age-advantaged bull, Kamo is a CELL Hold the Line 0258H son out of our donor female, ANLZ Farrah 56F. Homozygous black & homozygous polled, Kamo is a calving ease bull that offers a big foot, mass, depth of body, and style with exceptional numbers in carcass values that pay -- MARB, CFAT, and YG.

**Homozygous Polled • Heterozygous Black**

Thorne's bull TRAD Kiowa 35K is a heavy-musclred Limousin bull with length, frame, and performance. This age-advantaged, homozygous polled bull will absolutely add pounds on your calf crop. He's a breed leader in WW, YW, and YG. He also ranks in the top 10% for DOC and 3% for scrotal. If you're looking for growth and calves that press heavily on the scale, this bull gets it done in spades.
