# AUTUMN 2023

Introducing Destination Autumn, our popular dress has been given gorgeous trans-seasonal colour mixes in our florals & introducing an animal print combo. As the weather changes seasons we love the idea that we can wear these combinations in the warmer months through to layering when cooler.

This new collection offers new styles in smock dresses, soft fine denim, soft fine baby cord & silk/cottons, all with our specialty hand block prints, embroideries & quilting, all our designs are made to layer up or layer down, depending on where you live. Whether you wear Berlin or Jackson with sandals & sneakers or Virginia with cowboy boots, belt & jacket, all styles will take you on a journey. I was excited to introduce a collection of premium styles in a silk/cotton blend to our range, in our specialty hand block prints, which can be worn in the warmer months or wear with our new style quilted jackets & head out for a special occasion, we also love our quilt jackets and coats for relaxed wear with jeans, a tee and sneakers.

My wish for the start of this new year, is that we may continue to come together, take time out for ourselves & be together in celebration with those we cherish and love in healthy, safe, happy times.

In the spirit of reconciliation we acknowledge the traditional custodians of country throughout Australia and their connections to land, sea and community. We pay our respects to their elders past present and extend that respect to all Aboriginal and Torres Strait Islander people's today.

Happy new season 2023, **with Love, Emma x**
