MANDALAY  DESIGNS™
BY EMMA STRAUSS

Welcome to Spring/Summer 2019. This year we have introduced our menswear resort line that compliments the womens ranges. As our friend Bunty says "putting the Man in Mandalay"! As well as our table and bed linen, a perfect resort lifestyle for your table and home.

AUGUST *TAHITI LOOKS NICE*

Tahitian Garden came from my nostalgic visit of old photos of our family holiday in Tahiti when I was sweet 16. The element I noticed in each image was the magnificent colours and gardens, so intense and tropical flowery gardens all around us by the beach. This inspired me to develop the "The Tahitian Garden" print and in versatile styles that can you transport you to a resort holiday or simply to the office to dream about far away tropical lands.

SEPTEMBER *PONDEROSA*

Another nostalgic visit in my head with an old pair of cowboy boots. I have always loved country & western music and country visits, I feel a real return to listening to the music, putting on my boots, dancing, picnicking and breathing in the country life. A beautiful mix here of prints and textures that can be worn together or with your favourite pair of jeans.

OCTOBER *CASTAWAY*

Back to our heady days of island living in Fiji. Vintage inspired tropical print and easy pieces for days and nights.

With Love, Emma x
