

# CLASSIC

VESSEL MOUNT

## PRODUCT INFO

Handcrafted in the USA  
High Fire Porcelain China  
Crystalline Glaze  
Vessel Mount Sink  
Available in 8 colors  
Requires "vessel style drain"  
1 Year Limited  
Manufacturers Warranty

## DIMENSIONS

Due to the handcrafted nature of our product sizes may vary up to 0.5" on either side of our standard dimensions. Sink sets will also vary in size.

16.5" EXTERIOR DIAMETER  
5.5" EXTERIOR HEIGHT  
15.5" INTERIOR DIAMETER  
5" INTERIOR DEPTH  
1.75" DRAIN HOLE

## MOUNTING

Vessel Drain is required. Most standard vessel style drains will work with our sinks.

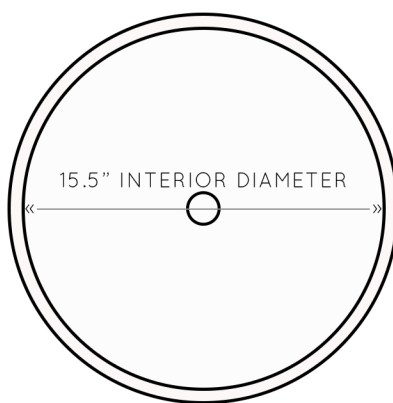

**VESSEL MOUNT:**  
Sink rests directly on counter, silicone and hook up plumbing.

## RECOMMENDATIONS

Have sink on site for best and most accurate templating.

Every sink will vary slightly. Matching sink sets should be templating individually.

Grid, Pop Up, or Umbrella Vessel Drain is required for all sinks because of no overflow. Drains with overflow system will NOT work with our sinks.

An Air Admittance Valve installed in the plumbing will allow air to enter pipes for faster water drainage.
