# piratelab. INFINITE BOOST BOARD GAME TOTE

Our Infinite Boost Game Tote is designed specifically for carrying board games.

It features a soft inner lining that's easy on game boxes, a layer of foam for protection and support, and a waterresistant exterior.

## DIMENSIONS

•27" x 14" x 9"

### CAPACITY

• Fits six standard (13" x 13" x 3") game boxes or more

#### FEATURES

- Adjustable, padded shoulder strap.
- Padded handle wrap
- Two adjustable soft dividers
- Soft inner lining
- Foam padding for protection and support.
- Water-resistant exterior.
- Easily collapsible for storage.

## **INFINITE BOOST**

The interior can be turned into separate compartments with two included soft dividers. When you're not using the bag, it collapses nearly flat, saving precious storage space.

The Game Tote fits six standard (13" x 13" x 3") game boxes or a large combination of other sizes.
