**« THE BARBIE GIRLS**

[www.thebarbiegirls.com](http://www.thebarbiegirls.com)  
Sasha Conlan founded The Barbie Girls after finding it hard to buy wholesome or hormone-free meat and seafood in Singapore. She now supplies beef, pork and seafood, as well as antibiotic-free chicken. Best of all, she tells you exactly what her sources are. Busy home cooks will love the preservative-free, ready-to-eat meals like beef lasagne - which is frozen right after it is first cooked. Delivery is free for orders above \$100.
