**PRIVATE LABEL:** Our product can be pre-printed or printed inline for private label customers. Because of our inline printing process, we can provide promotional or seasonally targeted items with custom printing without additional fees. Additionally, we can add customer SKU numbers and messaging for consumer targeting.

China Made PVC can crack in freezer.

Unlike PVC, our 7 layer nylon construction will not crack in freezer or get soft in microwave. Additionally our gel packs feature 4 layers of film, an inner layer that holds the beads and an outer protective layer that is durable. The print is between these layers insuring it never wears off.

Reusable ice blanket for your best friend, your dog.

Hook & Loop LINKABLE  
Tabs extend mat endlessly for  
all size dogs and animals.

Modern dog print with black, blue,  
brown and tan puppies.

Hook & Loop closure securely connects  
mats together to create one large mat  
for larger dogs.

Hot/Cold purified water insert mat.

Keep your dog cool safe and happy! Alternatively microwave for a heated blanket. Simply freeze and use! No need to add water, no slimy mess on your dog. Canvas upper is dog-tough, and non-skid lower rubber prevents mat from sliding. 24" x 12" LINKABLE Design perfectly fits small and medium dogs. Velcro-type tabs allow for expansion of mat to 24" x 24", 24" x 36" and larger! Rolls up for easy storage in the freezer or your cabinet. USA made Hot/Cold insert contains safe, purified water - no dyes or gel - safe for you and your dog!

ICY COOLS

**Premium Products**

Any of the Icy Cools products can be imprinted with company logos and customized to fit any application. Great for customer gifts, employee appreciation, hotel service, restaurants and beverage promotion.

From one to six color printing, we can reproduce any logo or style for you including matching PMS colors on our plastic film. We can replicate any can label over our silver film, making our shiny can coolers great for new soda and beverage launches. When used over and over by consumers, the can of whatever they're drinking has the look of your brand!

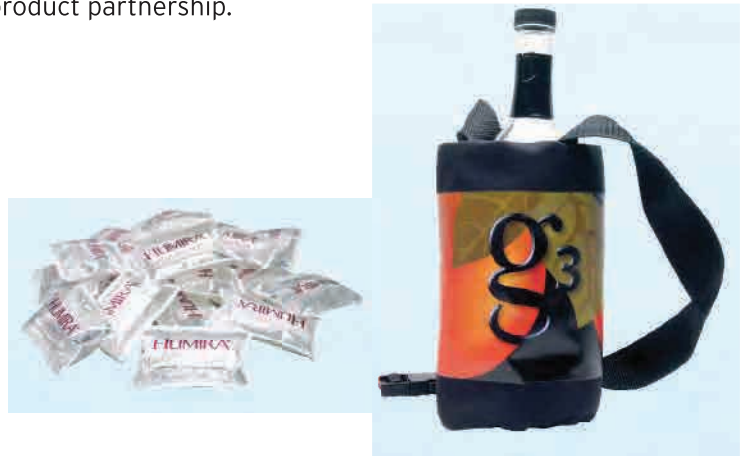

Our IceWrap™ products can be custom screen printed or embroidered for great beverage promotions of wine, beer, soda, liquor and water. Not another t-shirt, a great promotional item that customers will appreciate.

Our NeoWrap™ Hot/Cold Sports Therapy Wraps are great promotions for pharmaceutical companies, doctors' offices, universities, sports teams, running clubs and athletic groups.

**Private Label**

Icy Cools also provides private labeling opportunities with any of its product line, or a custom product for your store, group or organization. With low minimum quantities, our private label program provides companies with innovative products that are American designed and hot/cold mats which are made in the USA.

Our internal R&D staff can work with you to meet your product and packaging needs for a successful product partnership.
