

Alert Tone Pager

Versatile

The Alert Tone Pager is capable of emitting up to 5 different tones or vibrate sequences to offer more flexibility.

Not only does this pager offer a simple and reliable paging solution it incorporates a clear display with back-light and simple button functions.

Discreet

For complete discretion, it can be programmed to alert you silently of an incoming message.

Reliable

You can rely on receiving your messages within seconds. Paging Networks use advanced satellite technology to relay messages to you via transmitters located across the UK.

Easy To Use

To send an alert simply dial the unique pager number which we provide and wait for the acknowledgement that the call has been accepted before replacing the receiver. The pager will be activated within seconds.

Call Charges

Calls to this pager from BT landlines are charged by the length of time you are on the phone. The pence per minute price also varies according to the time of day.

The BT tariff code is 'r - Calls to Pagers & Voice Messaging Services'.

Other operators (including mobile networks) may charge different rates.
