

# Certificate of Warranty

## Stealth UL Safes

If you are the original owner of a Stealth UL Safe that suffers damage due to break in, attempted break in, or home fire, provide us with a properly filed police report, within 30 days. With absolutely no cost to you, which means: free parts, free labor and free freight; we will either repair or replace (our option) with a current production model of comparable value. For additional assistance, please contact your local dealer. We will be standing by ready to take immediate action to get your valuables quickly secure back in a quality built Stealth Safe.

### **No Cost – Break-In Warranty**

If your Stealth UL safe is forcibly entered, we will replace or repair it, free of charge.

### **No Cost – Attempted Break-In Warranty**

If your Stealth UL Safe has been subject to a drill, punch or pry attack and has performed successfully by keeping the intruders out, it will be repaired or replace free of charge.

### **No Cost – Fire Warranty**

If your Stealth UL Safe has been subject to a home fire, it will be repaired or replaced free of charge.

Stealth's warranty commitment to you. We will fix the safe in your home if at all possible, we will pay for the safe technician to open the safe, we will pay for the safe technician to repair the safe, and if a repair is not possible within the home, we will pay the shipping costs. Effective on UL Safe purchases effective 1/15/2019. This certificate highlights certain terms of Stealth's warranty. The complete terms of our warranty can be found on our website at
