

WHAT MAKES THIS DIFFERENT

8 Stage Proprietary Approach to the Creative Process

- AI accelerates art creation.
- Preview final artwork pre-painting, eliminating artist interpretation.
- Fine Artists are specialists assigned by, medium, style, and subject matter.
- Cost-savings due to reduced digital creation time and reproduction techniques.
- You are assigned a Creative Concierge that guides you through your creative journey.
- Changes are no big Deal! Three revisions for digital master at no charge.
- Unlimited creative possibilities with staff's decades of experience.
- You review the final painting before it ships.

HOW THE MAGIC WORKS

MAKING YOUR VISION A REALITY

1

YOUR IDEA

Dream Big

When envisioning your custom painting, there are no limits to your ideas. Let your imagination run wild. We are here to help you transform even the most unconventional concepts into stunning reality. Share your boldest dreams with us, and together, we will bring them to life on canvas, ensuring your vision surpasses all expectations.

2

ASSEMBLE YOUR VISION

Getting it Together

It's time to gather all your sources of inspiration: photos, color swatches, details about where the painting will reside, and your preferred artistic styles. You can even combine styles to create your own unique composition. Share your vision with your dedicated Creative Concierge to craft a personalized fine art masterpiece.

3

AI ARTWORK GENERATION

Embracing the Future

We utilize AI to input all your requirements—art styles, images, color requests, and scene settings—producing rapid initial ideas that form the basis of your final painting. Our stringent intellectual property protocols ensure all artwork is carefully vetted at this stage, protecting your creative vision with integrity.

4

DIGITAL ARTISTS TAKE OVER

Bring on the Talent

In the art creation process, the true magic unfolds as our digital artists step in to refine the initial AI-generated concepts into your final digital masterpiece. This stage is where every detail is meticulously crafted, ensuring your vision is brought to life with precision and artistry.

5

DIGITAL MASTER REVIEW

Your First Look

At this stage of your art creation journey, you'll receive your first glimpse of the 'Digital Master' that will be sent to the artists. If it's not quite what you expected, no worries—you'll have two more opportunities to refine and perfect the artwork to ensure it aligns flawlessly with your vision.

6

TO THE PAINTER

Handed Off to the Masters

Having signed off on your digital proof, it's time to entrust your vision to our masters with decades of experience. Rest assured, your artist has been meticulously selected based on their expertise in the chosen medium, artistic style, and subject matter, ensuring you're in the best hands to bring your artwork to life.

7

PAINTING FINAL REVIEW

Your Last Look

Once the painting is complete, you'll receive the final digital photo showcasing the finished painting. As masters of reproductions it will closely resemble the original digital proof, with added depth from hand-painted nuances and intricate brush strokes, enhancing its uniqueness and beauty.

8

ON THE WAY

We are as Excited as You Are!

Having approved the final painting proof, your masterpiece is now en route to you. We exclusively utilize top-tier carriers like UPS and FedEx to guarantee swift and secure delivery, ensuring your package arrives promptly and in pristine condition.

Our Favorite Quote

"The object of art is not to reproduce reality, but to create a reality of the same intensity."
Alberto Giacometti
