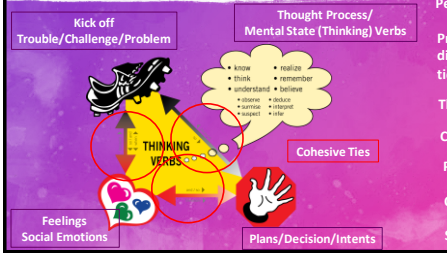
What is the Story Grammar Marker®?

A hands on, multisensory tool for narrative development that has colorful, meaningful icons that represent the organizational structure of a story (or narrative). The tool itself is a complete episode, the basic unit of a plot. It was created in 1991 by speech-language pathologist Maryellen Rooney Moreau, M.Ed. CCC-SLP in Springfield, MA.

New Blog Post: The Hidden Meaning of Story Grammar Marker®'s Icons
https://mindwingconcepts.com/blog/news/the-hidden-meaning-of-mindwing-s-icons

- Character
- Setting
- Initiating Event (Kick-off)
- Internal Response (Feeling)
- Thinking Verb
- Plan
- Planned Attempts (Actions)
- Direct Consequence (Tie Up)
- Resolution (feeling, lesson, moral)

Critical Thinking Triangle®



- Character Motivation
- Inference generation
- Perspective taking
- Practice with classroom discourse using cohesive ties
- Theory of Mind
- Critical Thinking
- Problem Solving
- Conflict Resolution
- Social Communication

Why is the yarn BRAIDED?

Each strand of yarn in the braid, which forms the backbone of the SGM®, represents one of the Strands of Language that can each be integrated within lessons using SGM®.

- Pragmatics
- Phonology
- Semantics
- Syntax & Morphology
- Discourse
- Metalinguistics
