Pilates Non-Folding Reformer Machine – Specification Guide

1. Build & Materials

- Frame: Constructed from a strong aluminium frame (durable & corrosion-resistant) for up to 150kg user weight.
- Upholstery: Finished in environmentally-friendly vegan microfiber leather – soft, breathable, yet hard-wearing for comfort and longevity.
- Designed to minimise noise

2. Wheels & Mobility

- Features a smooth 8-wheel rolling system for seamless carriage motion

3. Adjustability & Resistance

- Foot Bar: Lockable and padded, offering six adjustable positions.
- Ropes and Carriage: Fully adjustable ropes & carriage positioning
- Double-layer Spring Hooks: Built-in for enhanced resistance and versatility in spring setup.

4. Springs & Resistance Levels

- Includes six weighted springs with double layer of spring hooks:

2 Heavy

2 Medium

2 Light

5. Dimensions & Storage

- Reformer Length (when footbar is horizontal): 253 cm
- Reformer Width: 72 cm
- Maximum Height (with jump board in place): 89 cm
- Carriage dimensions: 60 cm x 90 cm (excluding head support)
- Standing platform width: without extender (16 cm) & with extender (36.5 cm)
- Storage Tip: Can be stored upright; requires approx. 252 cm ceiling height to ensure clearance when turning upright.

6. Included Accessories

- Matching Pilates box
- Matching jump board
- Small platform extender
- Accessories kit - ropes, padded foot strap, padded double loops & tool kit.

7. Assembly & Use

- Requires minimal assembly (e.g., attaching parts like shoulder rests, ropes, springs); assembly manual is included
- Designed and sold for both commercial and home use.

8. Warranties & Support

- Frame Warranty: 10 years
- Upholstery & Components Warranty: 1 year
- Additional support: Spare parts are stocked in-house for ongoing maintenance ease.
