

Felt Mushroom Sewing Pattern

1. Arrange and stitch spots onto top of mushroom.
2. Take a 10" piece of bakers twine and knot together at the ends. Tack stitch to the center of the top of the mushroom.
3. Stitch the leaves on top of the knotted twine. If making the holiday mushroom, stitch a pompom on the leaves as well.
4. Arrange the top and bottom of mushroom together. Stitch around outside adding fiberfill before stitching closed.
5. Fold the stem in half lengthwise. Whipstitch up the side.
6. Stitch the top of the stem to the bottom center of the mushroom.
7. Fill the stem with fiberfill. Sew a gathering stitch across the bottom and pull snug.
