

ABACUS RUG

ROSEMARY  
HALLGARTEN

# ROSEMARY HALLGARTEN

## Abacus Rug

Bringing together two classic Rosemary original weave patterns, Abacus™ is an extension of our Chalk Stripe throw and fabric combined with our original alpaca bouclé rug. Taking a page from bespoke fashion, this thick alpaca bouclé puts a whimsical spin on pinstripes. It is hand-woven by artisans who have worked with Rosemary for nearly than two decades.
