

BROOKE RUG

ROSEMARY
HALLGARTEN

ROSEMARY HALLGARTEN

Brooke Rug

Brooke is a creamy textural rug made by combining four of the softest alpaca yarns into a very subtle pattern that echoes some traditional weaving motifs. Woven with extra plush yarn, this statement rug feels brings dimension, softness, and subtle drama into any room. It is hand-woven by artisans with whom Rosemary has worked and developed her original boucle rugs for more than a decade.
