

FLECK FABRIC

ROSEMARY
HALLGARTEN

ROSEMARY HALLGARTEN

Fleck Fabric

A further addition to our popular Alpaca Linen collection, Fleck hints at the look of English tweed with wool flecks throughout. Due to the fine quality of the yarn and wool flecks, this fabric does need to be handled with care—with moderate rubbing some of the flecks can come loose. Drapery use only.

DETAILS:

Wyzenbeek: N/A

Composition: Alpaca, Linen

Width: 50" / 127 cm

Made in Peru

4 Colors

CARE:

Professionally clean only
