

A rustic living room interior. In the center is a stone fireplace with a black wood-burning stove. On the mantel are three white ceramic vases. To the right, a large potted plant sits on a wooden table. In the foreground, a large, light-colored sheepskin rug covers the floor. Two upholstered chairs are positioned around the table. The room is framed by a wooden door on the left and a wooden cabinet on the right. The walls are a light, textured color.
