

GLAZE RUG

ROSEMARY  
HALLGARTEN

# ROSEMARY HALLGARTEN

## Glaze Rug

Bringing back one of her Heritage designs, Glaze was inspired by the decorative ceramic glaze seen on pottery. It has a contrasting high pile pattern in chocolate brown that is cut pile over a lighter cream loop for the background. As a Rosemary classic, it is returning with a bold, graphic punch of rich color and contrast.

### DETAILS:

Construction: 100 Knot  
Composition: 100% Wool
