

GSTAAD RUG

ROSEMARY
HALLGARTEN

ROSEMARY HALLGARTEN

Gstaad Rug

When designing Gstaad, Rosemary looked to bring visual texture into her shearling collection. She's combined the two qualities of Arrabelle and Courcheval to create a geometric pattern which contrasts dramatically with the cloud-like softness underfoot. This artful rug captures the light in a unique way, making a textural and visual statement of extreme texture. Custom patterns to the designers specification are available.

DETAILS:

Construction: Hand Sewn
Composition: 100% Sheep Fur
Max Width: N/A
Made in Turkey
3 Colorways

CARE:

Professionally clean only
See Rug Care page
