

OMBRE ARCH TWEED RUG

ROSEMARY
HALLGARTEN

ROSEMARY HALLGARTEN

Ombre Arch Tweed Rug

Rosemary has long been the gold standard in ombre. Wanting to play with ombre in a new way, Rosemary developed the Ombre Arch rug as a compliment to the rounded and curved furniture that is become more and more popular in interiors. Rosemary blended wool as a base and used silk with an ombre effect in an arch pattern to create a striking pattern both visually and texturally.
