# ROSEMARY HALLGARTEN

## Pebble Bouclé Fabric

Working as an original in Alpaca Bouclé, Rosemary has been working with her artisans for over 15 years to perfect the craft. Pebble Bouclé was developed over 5 years ago as a new take on her most popular double bouclé fabric.

A combination of chunkier alpaca and wool yarns makes this unique pairing feel cozy and modern. Pebble Bouclé comes pre-backed but can be ordered un-backed for bedding. Our White color way is an undyed fabric option.
