

ROSEMARY HALLGARTEN

Solid Alpaca Bouclé Rug

Rosemary has been working with her artisans for over 15 years creating the original Alpaca Bouclé rug. The Solid Alpaca Bouclé rug, one of Rosemary's signature rugs, is handwoven in Peru using the softest alpaca yarn. This hypoallergenic alpaca rug is resistant to dirt, making it the perfect white rug for any room. Our Alpaca Solid in White is an undyed rug option.
