Verona Fabric

Verona comes to Rosemary's collection as more of a statement. This modern and sexy fabric is bold and graphic, but we think that's part of the fun. The contrasting high pile of super soft velvet-cotton and textured, two-toned low pile, makes an opulent fabric that is sure to spark conversation in your home. Available in two colors, it is perfect for headboards, benches, sofas and chairs.

Composition:

92% Mako Cotton Velvet, 8% Polyester
