

A high-angle photograph of an outdoor lounge area. In the foreground, a large, modular sectional sofa is arranged on a light-colored stone patio. The sofa is upholstered in a dark blue, textured fabric and features several white and striped throw pillows. To the left of the sofa is a small, round, light-colored ceramic side table with a bowl of fruit on top. In the background, a long, narrow infinity pool stretches across the frame, with its edge blending into the surrounding landscape. The pool is surrounded by lush greenery, including olive trees and cypresses, under a bright sky. The overall scene is serene and elegant.

ROSEMARY HALLGARTEN

Waverly Fabric

Our newest addition to our Froth and Paola solution dyed acrylic family. This is THE ultimate in softness and lives as comfortably on a living room sofa as it does by the pool. It's subtle zig zag pattern and high low texture reveals itself the closer you are to the fabric.
