TECHNICAL FACTS

PRODUCT HIGHLIGHTS

Manual bandsaw The

BasiCut bandsaw has a wide range of applications. The manual gravity-operated bandsaw can be used in small to medium-sized companies thanks to its excellent cost-effectiveness. With extensive accessories, it is also possible to tailor a cutting unit for the customer.

The saw frame is made of grey cast iron, which ensures better vibration damping and higher cutting precision. This is also supported by the simple but high-quality carbide guide of the saw blade.

Standard features

- Sturdy cast iron frame
- Quick-release vice
- Start/stop function
- Carbide saw blade guides
- Bandsaw blade BI-metal
