## Book 3: Consonant Clusters

**To the teacher:** Each unit presents three to six consonant clusters with illustrations of common examples for vocabulary development and auditory and visual recognition. The consonants are then contrasted. A conversation or a song with high-frequency words is included in each unit for memorization and sight reading. Answer pages, a teacher’s guide, and two audio CDs for this book are available.

If You’re Happy and You Know It

If you’re happy and you know it, Clap your hands!

If you’re happy and you know it, Clap your hands!

If you’re happy and you know it, Then you really ought to show it,

If you’re happy and you know it, Clap your hands!
