### 12 Ecological information

| The set of the                    |   |  |  |  |
|-----------------------------------|---|--|--|--|
| Toxicity                          |   |  |  |  |
| Aquatic toxicity:                 | No further relevant information available.  |  |  |  |
| Persistence and degradability     | No further relevant information available.  |  |  |  |
| Behavior in environmental syste   |   |  |  |  |
| Bioaccumulative potential         | No further relevant information available.  |  |  |  |
| Mobility in soil                  | No further relevant information available.  |  |  |  |
| Ecotoxical effects:               |   |  |  |  |
| Remark:                           | In dilution no effect of the biological sewage treatment plant.   |  |  |  |
| Additional ecological information | on:   |  |  |  |
| AOX-indication:                   | free  |  |  |  |
| General notes:                    | Water hazard class 1 (Self-assessment): slightly hazardous for water  |  |  |  |
|                                   | Must not reach bodies of water or drainage ditch undiluted or unneutralized.  |  |  |  |
|                                   | Rinse off of bigger amounts into drains or the aquatic environment may lead to  |  |  |  |
|                                   | increased pH-values. A high pH-value harms aquatic organisms. In the dilution of the use-level the pH-value is considerably reduced, so that after the use of the product the |  |  |  |
|                                   |   |  |  |  |
|                                   | aqueous waste, emptied into drains, is only low water-dangerous.  |  |  |  |
| Results of PBT and vPvB assess    |   |  |  |  |
| PBT:                              | Not applicable.   |  |  |  |
| vPvB:                             | Not applicable.   |  |  |  |
| Other adverse effects             | No further relevant information available.  |  |  |  |
|                                   |   |  |  |  |
| 13 Disposal considerations        |   |  |  |  |
| Waste treatment methods           |   |  |  |  |
| Recommendation:                   | Must not be disposed of together with household garbage. Do not allow product to reach sewage system.   |  |  |  |
| Uncleaned packagings:             |   |  |  |  |
| Recommendation:                   | Packaging can be reused or recycled after cleaning.   |  |  |  |
