

GOLDEN PICKS

Boxcar Cantina,
Winner of Best
Food Truck &
Margaritas

JAMES FARRELL
owner

For twenty-six years Boxcar Cantina has been satisfying our craving for all things Mexican. Five years ago the Boxcar food truck hit the road. "Our food truck brings the best service and fresh delicious food to everyone," says James. "We accommodate all sizes and types of events—from rehearsal dinners and anniversaries to birthday and graduation parties. There's nothing the food truck can't handle." And of those famous not-too-sweet, not-too-sour margaritas? James keeps the special ingredients close to the vest but says the best margaritas always use freshly squeezed organic limes.
