Please put if you want serration removed or any other issues in the comments above. Thank you

Please do not send any money. We will either Text or email you the total cost after we receive and inspect your knives. We send you a detail information and invoice, once you approve the invoice, we will begin work and once completed we will let you know. We will ship the knives out once the invoice is paid. If once you receive the invoice, you do not approve the cost, please let us know. We will pack up your knives and invoice you the shipping back, once the shipping invoice is paid we will ship your knives back to you.
