with John Crowder

Author, speaker and advocate of supernatural Christianity, John is engaged in a fresh renewal movement marked by ecstatic experience and a recovery of the ancient Trinitarian faith. He longs to see the church's rich mystical tradition restored and reformed through a return to Christology and the scandalously joyful Good News of the finished work of the cross.

Founder of Sons of Thunder Ministries & Publications, John hosts evangelistic missions, plants children's homes and equips the church at events worldwide. Author of seven books and a bi-annual magazine, *The Ecstatic*, he also produces an online teaching series, *The Jesus Trip*. John and his wife Lily have four children. He serves as dean of Cana New Wine Seminary.
